HOSTING A WATCH PARTY

Facebook Live is a great way to worship and share the Gospel, especially in these times when folks cannot worship in person. The only thing a person needs is a Facebook account and a computer/mobile device. In an effort to share God's message far and wide, consider hosting a Watch Party during any Facebook Live broadcast, including worship services and devotionals. All of your Facebook friends will be able to join you and other viewers in celebration and prayer. It's easy to create a Watch Party from your News Feed or timeline.

CREATING YOUR WATCH PARTY

To create a watch party from your News Feed or timeline:

1. At the top of your News Feed or timeline, click **Create Post**.
2. Click  then click  **Watch Party**.
